

June 2016

Dear Friends,

Hope initial gearing of new financial year would be engaged in leisure vacation, business forecast, board meetings and appraisals. Indeed an admired one that Plastic industry recorded mammoth growth among all industries in last year and we also grew at very remarkable growth.

Good luck to all my industry colleages for coming future.

Thanking You,

Prakash Shah
Chairman

NEW DEVELOPMENT

We recently developed & installed a 2 tier conveyor belt synchronized with 2 part handling robots. Space saving, productivity and safety are the benefits of this conveyor belt.

UPI POLYMERS, NELLORE

PROUD ASSOCIATION

We successfully installed our Air cooled screw chiller of 100 TR capacity. It's a specially designed chiller with environment friendly refrigerant built to run in open area with IP65 standards.

UPI POLYMERS, NELLORE

TOTAL AUTOMATION

Installation of Dosing, Mixing, Conveying & Drying on high output HDPE pipe plant
