

Dear Friends,

Greetings from Prasad Group!

It has been a fulfilling year for the plastic industry as a whole, especially with introduction promising opportunities and remarkable innovations that will benefit all of us collectively. For us at Prasad Group, this year has been about making numerous achievements. As a Group, we have expanded our reach to newer markets, and our efforts have been targeted towards serving our clients and partners better than ever before. As this pious time of festivities draws near, we would like to take this opportunity to thank all those associated with us and hope that the coming times will be even more prosperous and take us all to greater altitudes of success.

With this spirit,  
we wish you all a very Happy Diwali and  
a Fulfilling New Year.

Prasad Family

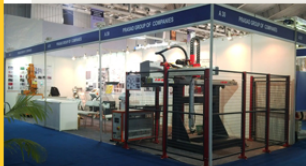

#### OUR RECENT PRESTIGIOUS INSTALLATIONS

GRUPO ANTOLIN, AHMEDABAD  
(FORD VENDOR)

We installed Central Conveying System, Chiller, MTC, Conveyor belts and Robots at Grupo Antolin, Ahmedabad. Conveyor belts are PU based Robot interfacing. Part handling robots are 3 axis servo robots from our partner Wemo Robot, Sweden.

S. N. ROLEX, AHMEDABAD

We also successfully installed our CCS (Central Conveying System), Conveyor belt, Granulator and Online dosing system at S. N. Rolex in the vicinity of Ahmedabad. With successful installation of S. N. Rolex, we had one more feather added in our prestigious installations.

#### EXHIBITION

We successfully participated in 'IPLEX 2015' exhibition held from 25<sup>th</sup> to 27<sup>th</sup> September 2015 in Bengaluru. We got excellent response from our Southern India customers.

#### SERVICE MEET

We have biggest sales and service network in industry. Service is too an essential part of a business. Every year we conduct service meet of our service engineers in our company. We recently completed our annual service meet. We train, empower and motivate our service engineers during our meet. We listen their problems and find out the solution to improve our product.
